

Snap Grace

(spoken while snapping fingers in the sign of the cross)

In the name of the Father and the Son and the Holy Ghost,

Here's to our God we love the most.

He's hip, He's cool, He's quite a dude

And we thank Him for our daily food.

So, the next time that you make a toast,

Toast the Father and the Son and the Holy Ghost.

Yeah. . . .
