

The Rock Lake United Church Camp Society  
Honorariums

All positions at camp are voluntary; however the Society may, at its discretion, offer an honorarium for some or all of these positions, recognizing that all of the time spent preparing for camp and at camp could never be fully compensated.

From time to time, the Board will set the amount of each honorarium. The Camp Director may not change these amounts. If any staff member handles more than one position at camp, the Camp Director, at his/her discretion, may authorize the Treasurer to pay up to a half rate for the second position.

The current honorariums are listed below and are the amount given per night spent at camp when children are present. No other time (preparation, planning, training, etc.) is compensated.
