

**Rock Lake United Church Camp
Two-Rig Site Designation Request**

mail to: David Whitaker, Registrar
5555 - 4th Avenue NE
Calgary, AB T2A 3X9
email: rocklakedave@gmail.com

I (we) would like Site # _____ to be designated as a 'Two-Rig Site'.

Name (s): _____

email: _____ (My only method of communication)

I (we) would like to bring _____ who is (are)
_____ on to my (our) site in a second rig.

I understand that this request does not commit me to taking this designation should it be offered to me. I further understand that the Rock Lake United Church Camp Society has full control over which sites are so designated (I know there are a limited number) although once designated I control whether such designation continues from season to season. I will not lose my site by reverting back to a 'single rig' designation at the end of any given season.

- THIS IS HOW IT WORKS -

Generally rigs are restricted to one per site. Tents or campers, to be used by Campers' teenaged children or grandchildren, will be allowed at the discretion of the Caretaker. They are not intended to be used for second generation families or friends. Our rules permit one family per site. Overnight visitors, on your site, must sleep in your trailer or RV.

In addition, there are a few sites big enough to support two trailers. These will be designated as 'Two-Rig sites' and, at the request of the Camper, will be approved on an individual basis. They will be allowed for two generations of one family (who for the most part) camp together. They are not intended to be used as time share sites. Approved sites will allow two rigs but will be limited to all other restrictions found in your Campground Contract and the Campground Rules & Regulations that are a part of this agreement. The Caretaker & Director of Property & Maintenance will have the authority to designate such sites. These sites will pay one and one-half times the annual site rental rate.
