

ATVs:

ATVs, motorbikes or other off-road vehicles are not permitted and must be on trailers while on all 480 acres of Rock Lake Camp property. They may be stored on your site if they are rolled on and off your trailer. The only motorized transport approved are wheelchairs, scooters & electric golf carts used for medical situations.

EBikes and EScooters are being monitored and a permanent decision will be made after the each season. Please note: Campground speed limits will be strictly enforced and these toys will be shut down immediately if speed continues to be a problem. The safety of our users, especially children, is our top priority.
